# PATRICK'S PRESIDENTIAL PREAMBLE

Well, here we are in 2025, and I hope you all have been well during the Christmas/New Year break.

Thank you to all who were able to go along to John Gocking's Australia Day run, I am sorry I had to pull out as My Family made a trip to Bathurst to pick up our new Family Puppy.

Also, just a reminder regarding the Pioneer Run to the Central Coast in April, I will need names so I can book rooms please. I hope to make a deal with the hotel if we can get enough rooms.

## EDITORIAL – FEBRUARY 2025

As you have been informed on many occasions, if you do not attend the three required meetings and/or events your Historic Vehicle will not be registered. Please note that genuine exceptions will be considered by the President if attendance is not reached. However, you will need to provide written valid reasons.

As a result of the new Constitution the only positions that could be elected at the December Annual General Meeting were those of the President, Vice-President, Secretary, Treasurer and three Committee Members. The results are listed on page 2 of this month's magazine. The remaining positions are then appointed by the Executive Committee. The results of those appointments are also listed on page 2 of the magazine.

Many of our fellow Antique and Classic car clubs are struggling with dwindling numbers of members. If you want your Club to continue, then you need to ensure you attend Meetings and Events and do your share of the work. We would love to see more ladies at our future monthly meetings, your contributions and suggestions will be greatly appreciated.

**All membership fees are now due** to comply with the rules set out by Transport for NSW. If your fees have not been **paid by 31<sup>st</sup> March 2025** you will no longer be a financial member, and your Historic Vehicle Registration/s will be cancelled. More information about how to pay your membership is provided below.

Members are reminded that you need to insist that **ALL** your Clubs, not only your Primary Club, are listed on your Certificate of Operations. This is important when you wish to go out with your different Clubs. I have also noticed a number of registration papers do not include the VIN and/or engine number. You are urged to ensure these details are noted. It may be important if you are questioned by the police. You also need to carry your **Certificate of Approved Operations** with your **Log Book** as you will need to produce it if asked for your Log Book.

A reminder that you now need to complete a Vehicle Modification Indemnity Form for each vehicle each time you register a vehicle with the Club under the Historic Registration Scheme. Details related to the use of Historic Vehicles are provided on page 8. To renew the registration, you will need the Modification Form, Rego Certificate, Pink Slip, 1259 form, log book and confirmation that the vehicle is insured. **Please do NOT send copies.** If you are going to mail papers to me, Phillip Youngman at 7 Francis Avenue, Emu Plains. NSW 2750, please use a Yellow Express envelope so that it can be tracked. Don't forget to include a stamped self-addressed envelope as well.

*If anyone is aware of any members becoming ill or changes in their circumstances, would you please contact **Margaret Turner**, the Welfare Officer. It is up to all of us to keep an eye out for each other.*

**ATTENTION ALL NEW MEMBERS** – You will see on Page 9 how to access a Club Window Sticker or a Banner to put on your car windscreen when we attend events. Every Member is entitled to borrow 1 banner, free of charge. If you are interested, please contact John Turner.

### **Additional APMC Notice!**

**Membership Fees \$55.00 for 2025 are now due and may be paid by cash (Correct Money Please) or cheque at the General Meeting or by cheque to the Club's PO Box 248 Northmead 2152 or preferably via EFT to the Club's Westpac account BSB 032 285 - AC 285965 specifying your name as the reference. N.B. If you have a vehicle on HVS it is a requirement of Transport NSW that you are a financial member of your nominated Club. If not, your vehicle will be regarded as unregistered & uninsured.**

# Vikings Sports Club Dundas ACMC XMAS OUTING – DECEMBER 7<sup>th</sup> JINGLE BELLS – BUT STAY AWAY FROM LES

Still not feeling well I opted out of driving myself to the Christmas Lunch. Patrick and Mark said they would pick me up after they did some running around in the morning. It was a drizzly morning, but we were inside and quite comfortable. I sat away from everyone at the end of a table.

This was easy to do for as much as I keep asking for bookings five members did not turn up, so this gave me plenty of space away from other members. Drinks and meals were ordered and arrived quickly for us to consume in this very friendly club.

Raffle tickets were then sold for the ham that Carol and Harvey kindly donated. After lunch the raffle was drawn, and no, Andy did not win it, but Gail did. Second prize was drawn and would you believe it, **Gail** won second prize. What the second prize was can't be printed in the magazine but a quick phone call to Patrick will reveal what it was.

# **ACMC CELEBRATES – AUSTRALIA DAY FLOWER POWER MONA VALE ROAD, TERRY HILLS JANUARY 26**

It was pleasant drive to Flower Power at Terry Hills arriving at about 11:30am and catching up with other early arrivals John Brindle and Les Watton.

A very busy place with extensive car parks almost full.

**Flower Power becomes**

**John and Les**

**Frankies**

With 14 members present we descended on Frankies Food Factory, which was again very busy, but our table awaited, and we all settled down to pour over the extensive menu.

**A selection of Members, not meals**

Meals and drinks ordered and with conversations abounded until the food was delivered. A bit expensive but good tucker and a charming venue.

P.S. I flew the Aussie Flag from our Maxima, but it was the only one seen on our trip apart from one that Erland Olofsson proudly waved and placed on our table.

### **Funny Business Down at the Crossing!**

We have always considered automatic boom gates the ultimate in safety precautions at railway level crossings, until we read the following account of an accident in England:-

According to the official British Railways report, it was 11.30am when the automatic gates at the level crossing went down to block traffic for a train. Waiting at the crossing were an Austin Mini, a Norton motorcycle, a horse and cart loaded with scrap metal, and an Austin Maxi. Behind that was a Ford Cortina and last in line, a Mercedes.

As they waited in line for the train to pass, the horse suddenly whinnied and dripped saliva on the motorcycle driver's neck. Thinking the horse might bite him, the cyclist ducked, throwing his right elbow in the horse's face, his hand slipping off the clutch.

The motorcycle lurched forward and hit the back of the Mini, the cyclist falling off his machine. The horse, punched in the face, reared up, tipping its cart so the scrap metal fell on the Maxi. This pushed the Maxi backwards a few feet, ramming the front of the Ford Cortina. At this point, a man walking his dog happened on the scene. He hurried to aid the injured motorcyclist but first tied his barking dog's leash to the automatic gate.

Since the train had passed, the automatic gate went up, yanking the yapping dog 20 feet into the air. Seeing the dog in the air, the owner shouted to a nearby pedestrian to lower the barrier.

At this point the gate came down, crashing on top of the Mercedes, with the yapping dog dangling from the roof.
