Quirindi Village Miniature Railway

MONTHLY RUNNING DAY – 4th Sunday of the Month 10AM – 1PM

Quirindi Rural Heritage Village have a operational 5 inch gauge mini-railway (approx 1/10th scale) that takes passengers around about 1.2km of track etc.

QVMR consists of a track through picturesque woodland, around a mini lake, through a tunnel and over bridges just like some full size railways.

Members are welcome to join and to learn to drive trains and repair working systems.

Our objective is to keep the railway safe and convenient for visiting live Steam Engines and the carrying of passengers.

We are always looking for more volunteers
