Presidents Report

Hello once again I must start by thanking last years committee for their time and effort they put in to assist the smooth running of the club thanks .We were able to achieve a great dealing the last 12 months firstly we were able to get that wonderful grant from the state government which allowed us to proceed with the extensions at the back of the club rooms .This work is now nearing completion and we must thank all the members who have put in a lot of time and effort in this project many thanks.

We also had a very successful visit by the federation tour all of them were most impressed by our clubrooms and the ladies efforts in the kitchen so thanks to you all .

The Thursday coffee mornings have been well patronised and have been very enjoyable times as we solve all the worlds problems and we prepare to run the country in the proper manner.

The club captains both Morry and John have once again come up with some interesting runs which have been well patronised which is good to see .

It is very disappointing that Sharon has not been swamped with articles for the newsletter it is amazing really as it is one of the few things these days that you don't have to pay for. Its free. Now that's a really great deal Sharon will print your article or for sale notice for free so all you bargain hunters start writing .

A great thank you to the members who put their hand up to assist in the running of the club for the next ten months as we have changed to be in line with the financial year for ease of book keeping etc So we hope to see more of you members in this short year enjoying your vehicles or at the coffee mornings so bye for now travel often and stay safe.

John C Hill.
