

## Reminders

Please book for the Bega Heritage Cheese Café Breakfast next Wednesday the 27<sup>th</sup> of Nov. and the Christmas Party on the 8<sup>th</sup> of Dec. and for the Ladies Lunch on the 12<sup>th</sup> Dec via our Website

While doing so please renew your membership on the app as well. The preferred way to pay is a direct bank transfer as this does not attract any banking fee. Don't make the bank rich, rather the Club!

### Ways to pay

1. By direct debit to the following account:

BSB 633 000 Account 1365 98661 please enter your name as reference.

2. Via the club website (schvc.com.au) using a PayPal account or debit/credit card. It does attract a bank fee which is payable by the Club

Use your member log in details to log in to the website and select 'Pay membership fee' from the 'Members' menu and follow the prompts.

3. By cheque made out to: Sapphire Coast Historic Vehicle Club Inc. and posted to: PO Box 219 Pambula NSW 2549

You are no longer required to complete a Members Renewal form as members are now able to maintain their contact and vehicle details via the club website Members area.

## Rego Inspection

To avoid a last-minute end of the year rush and to assist our Club Registrar please book your car inspections ASAP

## Eden United Age Care

The Uniting Aged Care in Eden asked us to have some cars for a display on their open day on the 30th November. They are looking for older cars especially and would like them there for a couple of hours from 1 to 3 pm - they would like residents to be able to sit in the cars if possible! Your attendance will be much appreciated.

## Contributions

The Committee has decided to implement a donation scheme. This donation scheme is designed to allocate costs fairly among members who directly use specific club facilities or services. Here is a breakdown of the scheme:

## Annual Vehicle Inspection

- Total donation: **\$20**
- Includes a **\$10 contribution** for the use of the hoist in the workshop.

## Hoist Usage

- **\$10 per event** using the hoist in the workshop

## Workshop Bay Usage

- **\$10 per week** for the use of a single bay in the workshop.

## Car Trailer Usage

- **\$50 per day** for using the car trailer.

The rationale for these charges is to ensure that the costs associated with maintaining the club's infrastructure and services (e.g., electricity, hydraulic systems, hoist cables, trailer maintenance) are covered by the individuals who use them, rather than being subsidized by the general membership.

## New Club Logo

A new club logo has been proposed to attract younger members and to create a fresh marketing image.

The committee with feedback from members has recognized the need to stay relevant with newer generations of motoring enthusiasts. The “modernising update” reflects the clubs past heritage along with keeping the same color schemes and fonts.

Careful consideration was given to several key factors, including visual appeal, modern trends, and the club’s mission. Since the goal is to rejuvenate the club’s image, the logo should appeal to a wider audience and remain timeless.

Comments will be welcome at the next General Meeting on December 5th, 2024. By choosing the below wording, the abbreviation used for the previous logo Sapphire Coast Historic Vehicle Club “SCHVC” has not changed.

Please note that we are not changing the registered club name from Sapphire Coast Historic Vehicle Club, just our logo.

## Barn-find

Not really a barn-find but rather a find in the paddocks. Mr. Roly Dye, a prominent farmer at Hopefield near Corowa NSW donated a VW Country Buggy to the Club. These vehicles were initially specified by the ADF, built and rigorously tested in Australia. The vehicle was initially bought in 1965 by a Rental Company in Corowa and later in 1975 acquired by the Dye Family to be used on their farms. It has been decommissioned in 1999 and abandoned in the paddocks.

After the cars were built, the ADF decided to cancel the order as they figured they needed an amphibious 4-wheel configuration, the vehicles were then sold to farmers where this specimen ended up. Clean up is now under way before the car will be displayed in the Learmont Pavilion. Long forgotten beer bottles, gun cartridges and other paraphernalia were discovered during the clean-up.

**Christmas Hamper Donations Now Open!**

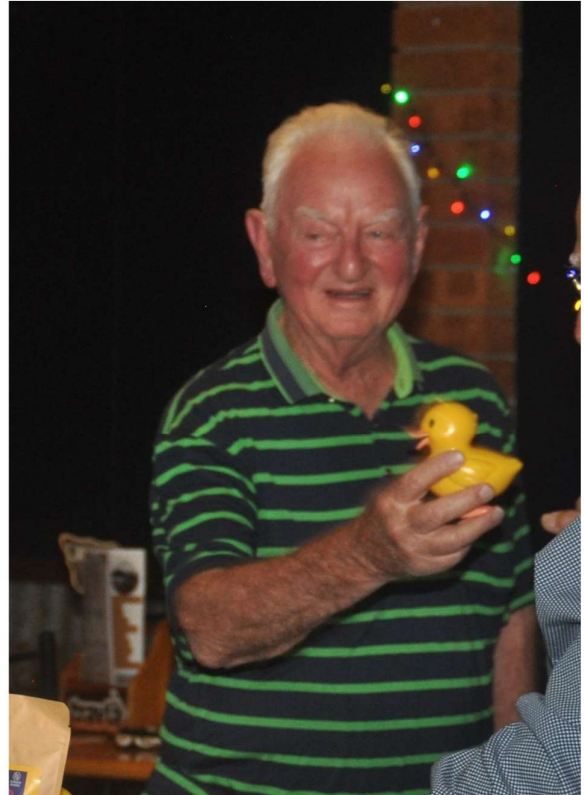

We are collecting donations for our Christmas hampers to help spread some holiday cheer. If you would like to contribute, please drop off any non-perishable items, festive treats, or goodies at the club by 7th Dec. Every little bit helps, and your generosity is appreciated
