Happy Birthday Dinah!

Hope you had a fantastic day with lots of laughs, good company, and maybe a classic car cruise in the Morris. We're lucky to have you in the club - cheers to another year of fun adventures together!

The Bike and Roadster Run

turned into a true Triumph outing, featuring two classic TR6s alongside a powerful Triumph Rocket 3 motorcycle. It was especially pleasing to see our youngest member, Nicholas Taylor, join in with his immaculate 1990 Mazda Miata, adding a fresh touch to the mix of classics.

Although the weather wasn't ideal, the rain held off, even if the rest of our biking community decided to sit this one out. The day was capped off in fine style with another excellent lunch at the ever-reliable Candelo Store & Café. Proudly parked at Candelo's main drag was Barry Moffit's 1928 Oaklands loaded with Milk cans.
