SCHVC Open Day

The open day was a wonderful event! The perfect weather, classic cars, and the recognition of the Learmont family's contribution felt extra special. Dr. Michael Holland's attendance and gesture in presenting a plaque is a great way to honour Peter Learmont and his family's legacy. The Social Justice Advocates' Solar Garden Project and their work in the Bega Valley are important topics, and it was great that they had the chance to share that with the public. Great entertainment was provided by Chris Ralfs and his Band, also the auction of memorabilia turned out lucrative for the Club. Kudos to everyone who helped make the day a success – from the organizers to the caterers' cleaners and musicians! We bet this will become a beloved annual event.
